

An Evening with ATC

Join us for our annual Pilot-Controller Forum at KBFL. Meet the people you talk to on the radio, learn about new developments at KBFL, and talk to them about issues or concerns you might have. This is always an informative and lively discussion, the room is always full, so register early and come hungry. Complimentary dinner will be served at 5:15, followed by the Forum starting promptly at 6.

Directions: Boughton Drive is off Airport Drive, across the street from Fabulous Burgers, at Bakersfield Meadows Field Airport. CAU is near the end of Boughton Drive, on the right.
