

## Risk Management--Another FAA Buzzword?

Join the Bakersfield Flying Club for a seminar on RISK MANAGEMENT. In our daily lives, we constantly manage RISK. As pilots, we are exposed to additional RISK. In flying, how we manage RISK is critical to FLIGHT SAFETY.

CFI Joe Biviano takes an in depth look at RISK and offers techniques and strategies for pilots of all experience levels to better manage RISK during the planning and execution of each flight.

Bakersfield Flying Club is located on the second floor of the Bakersfield Jet Center.

Fly-ins are welcome to this event. Park at the Bakersfield Jet Center and avoid a ramp fee by topping off your aircraft.
