

Pilot - Air Traffic Controller Safety Seminar

Join the Bakersfield Flying Club FAA Safety Team and KBFL Meadows Field air traffic controllers Bryan Weathers, Hector Perez and Serge Byakov for a pilot - air traffic controller discussion on local area flight operations. Bring your questions for the controllers and learn the inner workings of your local ATC facility.

Participate in an informative discussion with fellow area pilots and review recent incidents involving pilot - controller interaction.

Bakersfield Flying Club is located on the second floor of Bakersfield Jet Center. Fly-ins are welcome to park on the ramp adjacent to the Jet Center.
