

# Annual Helicopter Safety Seminar followed by a Meet and Greet Social Hour.

This event has become a popular annual event featuring guest speakers in which we will talk about ADM, wire strikes and review accidents. Following the Seminar we will host a Meet and Greet Social Hour. You can come meet other helicopter pilots from around the Country and have a good time.

**Directions:** Seminar will be held in the Convention center-Grand Ballroom-C

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
