

Where ADM and Human Factors Meet: The Accident Chain of Events

This seminar will evaluate well-known accidents to learn about the chain of events leading to accidents, such as fixation in the cockpit and the buildup of confusion/disorientation during abnormal circumstances, and will cover error recognition and improving ADM skills.

Directions: South Conference room on ground floor of HND terminal.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants.
