

LAS FSDO FAAS^Team presents:

FAAS^Team Annual GA Awards and Lights Out in MOAs

The FAASTeam will recognize the 2014 General Aviation CFI, AMT, Avionics Technician and FAASTeam Representative of the year AWARDS for the Las Vegas FSDO area.

Acknowledgment will also be given to those people who have contributed to general aviation during the 2014 year.

FAASTeam Representatives from Nellis Airforce Base will also be giving an important information briefing about their "Lights Out in MOAs Operations". Many pilots are not aware Nellis fighter pilots might be flying at night without displaying any navigation lights as part of their combat training. They will be telling GA pilots what are the desired procedures when operating in MOAs at night.

Finally, Mr. Fred Ellsworth will be presented with the coveted Master Pilot Award.

Directions: Grand Canyon Room in the North Las Vegas Terminal (VGT)
