

# E/AB Flight Testing; Avoiding Flight Into Icing Conditions; Local Safety Update Ramp Construction

Power-point presentation on this month's General Aviation Joint Steering Committee (GAJSC), E/AB flight testing.

Training event on avoidance of flight into and around icing conditions. Includes discussion of the weather factors, and the aircraft equipment and systems necessary for flight into icing conditions.

Information on the upcoming airport improvement projects @ KHND with addition of additional ramp space.

**Directions:** South Conference room on ground floor of Henderson Executive Airport Terminal, Henderson NV.

## A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
