

The Accident Investigation Process; Two-way Radio Communications refresher

Guest speaker Paul Alukonis, Principal Operations Inspector of the Las Vegas FSDO and member of the Las Vegas "Go-Team" for accident investigation, will talk about the accident investigation process and procedures around the Las Vegas area. This will include past local accident scenarios. Next Cathy Stockdale, FAASTeam Lead Representative at HND, will give a short presentation on two-way radio communication procedures and etiquette at towered/non-towered airports and the Las Vegas terminal area.

Directions: Main Terminal Building at Henderson Executive Airport, South Conference room on ground floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
