

Las Vegas FAASTeam presents:

North Las Vegas Airport 75th Birthday Aviation Open House

The Clark County Aviation Association in conjunction with the Clark County Department of Aviation will be hosting an Aviation Open House Saturday December 10, 2016 from 9 am to 4 pm.

The show itself will have a wonderful assortment of aircraft from almost every era of aviation from some of the truly antique to the more modern General Aviation aircraft. Many of the aircraft exhibited at North Las Vegas are not exhibited anywhere else which makes this event even more exciting for the antique aircraft buff. This is an event for all ages and is designed to stimulate interest in aviation as well as answering safety issues that the public may have. There will be something for everyone including a hands on glider simulator, radio controlled model aircraft exhibit and an indoor glider contest for the youngsters. A sample of exhibitors includes Clark County Department of Aviation, Civil Air Patrol, the 99's and the FAA FAAS Team
Free Admission, Everyone is welcome

Directions: Airport Drive is right off Rancho just Southeast of Decatur & Rancho intersection.
