

CFI/DPE Forum

Netjets Captain Sean Beall will lead a informative Discussion of System and Component failures. Sean is a CFI/CFII/MEI and 20 year captain at Netjets. David Copeland will present on Loss of Control. David is a senior flight instructor CFI/CFII/MEI at ATP flight school at KVG T. After the presentations there will be a open question and answer session.

Directions: This meeting will be held in a modular building next to the terminal at KVG T

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
