

## Non Towered Airport Flight Operations / Local Area Traffic

Overview of regulatory requirements, recommended operations and communications procedures for operating at an airport without a control tower, or at an airport with a control tower that operates part time. Second briefing on Air Tour Helicopter Operations and Patterns at Boulder City Airport. What are they doing and why are they doing it?

**Directions:** Proceed to Boulder City via US93/95/I515S. Exit 15B Boulder City Parkway. In 2.8 miles, turn right on Veterans Memorial Drive, thence right turn on Paul C Fisher, then turn right (in front of the Papillon Building), proceed Westbound on Airport Rd. to the last building on the left side, the old Grand Canyon Airlines Terminal Bldg. Ample free Parking is available across the road.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
