

# Illegal Air Charter = Safety Risk

Illegal air charter operations pose a serious safety hazard to the traveling public. The FAA works aggressively to identify and shut down rogue operators and help passengers ensure the company they hire is legitimate.

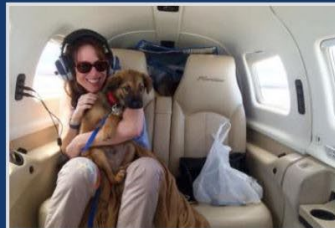

## Safe Air Charter Resources

Whether you are a pilot, passenger, or broker, the FAA has a host of helpful resources about safe air charter operations.

### For Pilots

Pilots require a higher level of FAA training and certification to fly an air charter.

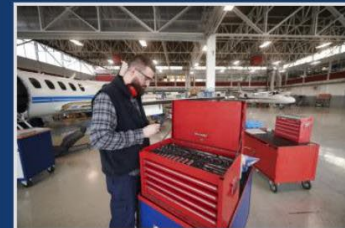

### For Passengers

If you decide that chartering an aircraft is right for you, do your research.

### News & Enforcement Actions

Learn more about enforcement actions against rogue operators.

### Toolkit for Pilots, Consumers and Media

View passenger and pilot aids or video resources on rogue operators.
