

Reminder - Answers from the Tower-KCCB Safety Seminar & Fly-In. Pancake Breakfast at 0700

Veteran FAA controller (9 ATC Facilities) and author, David Wittenburg talks about and answers questions on the Controller/Pilot relationship. In a stimulating round table discussion format, you'll learn what it's like to be on the other side of the microphone and how pilots and controllers can work better together. This event has a fee

Directions: From parking; follow signs to seminar hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
