

## FAAST Runway Safety Training

This presentation will dive into proper planning for safe ground operations to help you become a safer pilot. There will be an emphasis on using the available tools to help you prevent runway incursions. You're sure to learn some new ideas to make your aviation life better and avoid a few traps that could bring you down.

**Directions:** See the attached map.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
