

Riverside Airport Safety Meeting

Do you have a concern or question about the airport? Come speak with the Airport Manager and others. They are here to help. This is a great opportunity to learn about what's going on with the airport. Get comfortable with other functions and services available on the airport. There will be information for both pilots and mechanics.

Directions: Meeting will be held in the Terminal Lounge (see attached map).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
