

CFI Open Forum: Teaching Emergencies

This presentation acquaints the audience with pilot responses to emergency and abnormal situations and offers advice on preparing students for emergency situations. The program includes opportunities for class interaction and a class exercise in developing best practices for emergency training. Information from Fly the Aircraft first will also be presented.

Directions: See attached map.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
