

Some Great Basics -- Don't Leave Home Without 'Em

We had a lively meeting in February. We promote an interactive meeting by fostering and encouraging the participation of the attendees. This was certainly true at our February meeting. It's not uncommon that the materials presented are positively augmented and supported by actual events and experiences of the attendees. It is appreciated when the attendees add to the merits of the program subject(s). This proactive approach helps to insure the dissemination of useful information for all General Aviation.

Directions: From the 60 Fwy- south on Euclid. From the 71 Hwy- north on Euclid. Driving north or south on Euclid Ave (83), turn east on Merrill Ave. Turn south (right) at the first intersection (Stearman Ave). Actually, that's the only direction you can turn. Continue to YANKS' gate on your left. Park, enter the main doors, find the meeting, grab a cup of coffee and a brownie, have a seat, and... um.. don't forget to sign in. Thanks, ~a.j.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
