

FAASTeam presents:

Rusty Pilots Seminar

Once a pilot, always a pilot... But, feeling a little RUSTY?

Returning to the skies is not as difficult as most rusty pilots think.

No FAA checkride or test - You may not even need a medical

Participate and you've fulfilled the ground instruction required of the flight review.

We're inviting you back into the cockpit and will help you get there.

Come and participate in a FREE Rusty Pilot program. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge.

Please follow the link to pre-register for this seminar.
