

Hello! My Name Is Air Speed!

Tonight, we'll review the history, function, and meaning, of one of the most fundamental instruments in your aircraft. We'll take a look at the airspeeds marked and unmarked, why some values change, some interesting facts about a few important speeds, and a few accidents that have been caused by various failure modes of this most important gauge. Whether you're brand new to aviation, or a seasoned professional, you're sure to learn something new.

Directions: Brackett Airport Administration Building 10/San Bernardino Fwy, take Fairplex dr. North, turn left Fairplex dr/ W McKinley ave go to next stop sign. Proceed on W McKinley ave to Admin Building at end of road. Fly-In's are welcome

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
