

## Small Unmanned Aircraft Systems

Are you interested in operating an Unmanned Aircraft System (UAS)? The new FAA regulation pertaining to the UAS will become effective August 29, 2016. There will be a discussion about certification, operations, and registration. Please register for this event to ensure there is space available.

**Directions:** See attached map

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
