

FAASTeam presents:

Fly the Aircraft First

During this presentation we'll talk a little bit about distractions and how they contribute to accidents. We'll look at some recommendations from a work group that studies loss of control. We'll offer a few tips & tricks to help you manage distractions in flight.

Directions: See attached mp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
