

Keep the Sunny Side Up!

Loss of Control and stalls remain the most common causes of small airplane accidents, accounting for about half of all accidents, and most of these are fatal. Come learn what gets pilots into trouble and what you can do to help avoid this fate.

Judy Phelps is the 2011 National Flight Instructor of the Year, a five-time Master CFI of Aerobatics, and a founding member of the Society of Aviation and Flight Educators. She specializes in Upset Recovery Training, as well as Aerobatics, Spins, and Tailwheel instruction.
