

Collision avoidance with military aircraft in training exercises

This class will identify safety issues facing military and general-aviation pilots flying in the Morongo Basin area and will educate pilots on the different types of military special use airspace. The event is free and participation will count for WINGS credit

Directions: 6162 Rotary Way, Joshua Tree, CA 92252

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
