The objective of conducting semi-annual meetings with FAASTeam Representatives is to promote interaction, communication and to exchange ideas. Required training will be accomplished during the meeting as well as any optional Representative Training the FPM/FSDO Manager deems appropriate. Semi-annual meetings are a chance to have face to face dialogue with FAASTeam Representative about the work they do and the challenges they face out in the field. It is also an opportunity to stress the support available from FSDO Management, the FPM and the National FAASTeam (AFS-850).
