

A FOUR-POINT QUIZ - - with Richard Eastman

Join us for a potpourri of related subjects that you need to be thinking about if you want to be a better pilot. Expect a short quiz and a lively discussion ... supported by the questions ... What's the only landing you ever have to make? In a single engine airplane, what are your TWO sources of power? How do pilots know what's safe and not safe when you fly? How do you safely fly in the LA Basin?

Directions: Brackett Airport Administration Building 10/San Bernardino Fwy, take Fairplex dr. North, turn left Fairplex dr/ W McKinley ave go to next stop sign. Proceed on W McKinley ave to Admin Building at end of road. Fly-In's are welcome

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
