

FAASTeam presents:

OPEN FORUM-- CFI / DPE / CFI candidates / pilots and students

This is an OPEN meeting, for OPEN discussion, on OPEN topics.

All Pilots and Students are welcome. Instructors: please join us for this forum. We need your input. This discussion is an opportunity to collaborate and develop best practices, and to mitigate the risks identified in the discussion, for both Instructors and Students. The result will enhance communication, standardization, and professionalism in the pilot training and evaluation processes. Together as a TEAM, the Instructors and Designated Pilot Examiners can combine their extensive knowledge and experience with sound judgment to create and provide the most comprehensive and effective pilot training experience, followed by a reliable and effective evaluation. The meeting will be open to 'survey' issues that concern anyone in attendance. These could include 'observations' of potential issues that may grow into problems, or current problems that require resolution.

Directions: From the 60 Fwy- south on Euclid. From the 71 Hwy- north on Euclid. Driving north or south on Euclid Ave (83), turn east on Merrill Ave. Turn south (right) at the first intersection (Stearman Ave). Actually, that's the only direction you can turn. Continue to YANKS' gate on your left. Park, enter the main doors, find the meeting (to the left), have a seat, and ... um.. don't forget to sign in. Thanks, ~a.j.
