

Controlled Flight Into Terrain (CFIT)

In this presentation we'll talk a little bit about Controlled Flight Into Terrain (CFIT) Accidents and recommendations (termed safety enhancements) from the General Aviation Joint Steering Committee -a work group that studies General Aviation Accidents. We'll discuss some Safety Risk Management and Technological solutions to CFIT challenges and, finally; we'll give you some tips and tricks that will help you to avoid CFIT accidents.

Directions: See attached map.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
