

# Pilot/Controller Forum - Open Discussion for Pilots and Controllers

Air traffic controllers provide a special service to make VFR/IFR flights safer. Now you have an opportunity to meet these controllers and put a face with the voice. In this discussion, pilots will interace with local controllers working in various ATC roles, discuss the various services available to pilots and how proper phraseology, rules, procedures, and professionalism impacts General Aviation operations at Brackett Airport.

**Directions:** Brackett Airport Administration Building 10/San Bernardino Fwy, take Fairplex dr. North, turn left Fairplex dr/ W McKinley ave go to next stop sign. Proceed on W McKinley ave to Admin Building at end of road. Fly-In's are welcome
