

UAS Night Operations Demonstration

Accident scene night operations safety. During this demonstration there will be the use of UAS for aerial imaging, ground LiDAR camera, and professional lighting for data collection. There will be safety discussions regarding night flight and visual illusions. Professionals from the industries will be there to discuss data collection solutions. Bring your questions (not your drone).

Directions: Parking lot 5A of MiraCosta College. Event is held behind the modular buildings (T-500) at end of parking lot.
