

Get the F Word Out of Your Landings - Hybrid Event

Mr. Sutfin will discuss vague terms and routines used in pilot training, advocating for the adoption on more precise and descriptive terminology for the landing phase of flight. The aim of the presentation is to eliminate ambiguity in the current language, providing pilots with clearer instructional guidance and reference points, thereby contributing to safer and more effective landing techniques.

Refreshments Provided

Prior to attending a safety seminar in person, please review and abide by Current CDC, State and Local Health Guidelines.
