

Do Not be Afraid of ATC

SoCal TRACON wants to assist you! Learn how in this seminar!! Mr. Jared Gregg, Air Traffic Control Pilot Outreach Representative, will introduce to you and describe their role in the ATC system. Jared will discuss staffing shortages and the issues they have caused. Additionally, he will cover many current safety related topics and how pilots can help. Furthermore, he will also discuss how VFR and IFR traffic can coexist in a managed environment. The primary goal is to invite every pilot to use Flight Following, and to feel comfortable talking to ATC. Jared will be very happy to answer your questions and address all of your concerns.

Prior to attending a safety seminar in person, please review and abide by Current CDC, State and Local Health Guidelines. Seminar Length will be 1 hour.
