

EAA Chapter 1279 Monthly IMC Club Meeting

The EAA IMC Club provides "hangar flying" experience organized around instrument flight to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, rules, procedures, and member experiences.

The meeting will feature: Briefing passengers prior to take-off and considerations when your flight is in heavy rain and turbulence

Bring your experience, and questions.

You do not need to be an EAA member or an instrument rated pilot to attend.

Chapter 1279 gatherings are held in the Pietenpol Hangar. For a detailed map and additional information click [here](#). Seminar will last one hour.
