

## Using All Available Resources For Safer Friendlier Flying

This engaging webinar will explore using the Airport/Facility Directory (AFD), Notices to Airmen (NOTAMs), and FAA From the Flight Deck videos to enhance community relations by responsible flying. Learn where to locate local noise abatement procedures, operational restrictions including voluntary curfews and best practices for minimizing environmental impact. Pilots will gain insights into how adherence to these resources can foster positive ties with local communities, promote safer skies, and help reduce noise complaints.

The webinar will be conducted via Zoom. To register, please click [HERE](#)

This event will be eligible for WINGS credit based on the email address used for registration. Please register using the email address associated with your WINGS account.

After you complete the simple form, you'll receive an email with the link to your personalized entry to the webinar. Don't share that link with others, or they won't be able to receive WINGS credit for attending.
