

Hanger Flying with the IMC Club Brackett (Hybrid)

The EAA IMC Club provides pertinent information in regards to safety of flight in Instrument conditions.

Discussions regarding a recent accident on approach will lend itself to discussions on local approaches in Southern California.

Meeting room is the first left after entering the administration building from the parking lot.

Meeting is scheduled to last 1 1/2 hours.

For those who are interested in attending on line the following link will allow you to join.
