

Weather Wise Weather Insights from NOAA

Andrew Rorke, Senior Forecaster and aviation program lead at the National Weather Service's Los Angeles office will explore aviation weather and how a better understanding of forecasts can support informed flight planning and sound decisions.

Andrew brings 35 years of National Weather Service experience, including assignments in San Francisco and Redding. Before joining the National Weather Service, he served as a USAF wing weather officer with Strategic Air Command. He holds a degree in meteorology from Cornell University.

Location: the restaurant is located at 1414 Lincoln Blvd., Santa Monica on Lincoln Boulevard north of Broadway but south of Santa Monica Blvd. The event is being held in the back patio.

Parking: Limited metered parking is available.

Program 7pm-8pm
