

Travis Air Force Base Tour

The purpose of the tour is to allow airmen of northern California to receive knowledge regarding the limitations of operations in and around the Travis AFB. Thus, tour participants will receive briefings regarding the general ebb and flow of the aircraft that use Travis AFB (C-5 Galaxy, C-17, KC-10, KC-135 and numerous other military and contracted civilian aircraft. Also limitations regarding the radar operations at Travis AFB. Tour participants will receive tours of aircraft, maintenance facilities, etc.

Directions: All participants will meet at the Nut Tree airport .. 0900. We will be bused from there.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
