

## 75th Consecutive Monthly Safety Seminar

Mr. Kurt Haukohl of the Runway Safety Office from the FAA Western Pacific Headquarters (Los Angeles, CA) will present a summary of the current thinking and practices of the FAA efforts regarding pilots/mechanics/ramp personnel regarding how to be safe on the ramp and the runway environment.

**Directions:** Driving - Gate code # 2846..... enter pound sign first.. then 2846.... southeast corner of airport.. then drive south on taxiway to hangar 1A (next to the last hangar row, nearest the taxiway). Flying... transient tie downs at north side of hangar rows... you may park near Hangar 1A, however no tie downs available next to hangar 1A

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
