

Long Range Cross Country Flight Planning

Mr. William (Bill) Sommers will discuss a trip he took where he flew his Cherokee 150 around the circumference of the continental United States.

He is an avid amateur photographer so his presentation will include excellent photographs of his trip. He will discuss the pluses and minuses of long range flight planning, i.e.... what he planned and then how it actually happened.

Directions: South east corner of the airport, next to the last hangar row. Driving: Gate code #2846Flying.. park in transient just north of the hangars

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
