

## Triangles

How do Triangles impact you, the GA pilot? A discussion highlighted by video and slides to demonstrate how triangles are in every major aspect of General Aviation (all of aviation for that matter). Think about structural strength, think about navigation, think about crosswind landings, think about your landing gear, etc, etc.

**Directions:** Parking either north or south of Hillside, walk through the gates to the Hillside hangar. Flying... park in transient just NW of Hillside FBO

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
