

## 2013 National Safety Stand Down

Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, “I’ll see you at the Stand Down.”

**Directions:** From Hwy 65, exit Nelson Rd northbound. Continue straight past Nicolaus Rd. Airport entrance on left (Flightline Dr). Follow "Safety" signs to hangar 1880 at north end of Flightline Dr.
