

More medical advice/observations from an ICU doctor

Doctor Dave Johnson, ICU doctor and 45 year pilot will present further education and observation regarding what pilots should be doing for themselves to maintain medical efficiency (i.e. keep your medical until you do not want to fly anymore). Doctor Dave spoke to us in August... and the attendee's asked him to return... it was that good !!!

Directions: Flying - park in transient - north of FBO, walk to lobby, then into hangar for event
Driving - park either north of south of FBO, walk through man gates.. to lobby... then into hangar

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
