

## ADS-B - The Mandate & The Solutions

This two part program begins with an FAA presentation on ADS-B, it's benefits and requirements. The second half will focus on the operational aspects, and the latest technical solutions from Garmin. A representative from Garmin will discuss the various types of equipment, and features currently available.

**Directions:** From Highway 80, take Bell Road West to New Airport Road. Turn right and continue north to the end of New Airport Rd, parking is on the right, and along the street. Look for Safety Seminar signs, and the Terminal building, Public Meeting Room.
