

## Automation in the Cockpit

Mr. Dale Miller, a pilot for the Chevron corporation will discuss the aspects (good and not so good) regarding automation in the cockpit. Mr. Miller flies international on Gulfstream business jets and his depth of knowledge with his years of experience will keep the audience's attention.

**Directions:** Flying: Park in transient on NW of Hillside FBO (then as below)Driving: Park in either the north or side parking lots (at the FBO), walk through the man gates and enter lobby, then into main hangar.**BY THE WAY, THIS WILL BE THE 97TH CONSECUTIVE MONTHLY SAFETY SEMINAR AT BENTON AIRPORT! WHEW!**

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
