

Minding your own business, cruising along and then?

Irwin Fust, a long time CFI and FAA Safety Team representative for the greater Red Bluff area will discuss various situations regarding in flight emergencies. A combination of lecture, NTSB reports, Videos and slides he will develop a thorough process that the GA pilot may want to utilize to insure that the outcome of the flight is never in doubt (PTS language).

Directions: Flying In: Park in transient parking to the NW of the Hillside FBO... then walk 200-300 feet to the main lobby, then into the main hangar. Driving: Park either north or south of the FBO, walk through the man-gates and proceed to the lobby, then into the hangar

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
