

The 100th Consecutive Monthly Safety Seminar

A celebration of the safety seminar series featuring live music, free lunch (if you register at www.faasafety.gov), door prizes and just a great day in aviation. A program discussing the electronic charting formats... the pros and cons of accuracy of same and how it all ties in to enabling you/us to be safe, competent and efficient as aviators.

Directions: Driving, once at the airport, park either north or south of the Hillside FBO and then walk through the man gates to the front door of Hillside, then through lobby into the hangar. Flying: park in transient... north of FBO... then walk to lobby.....

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
