

ADS-B Presentation, Bendix-King

Mr. Thomas Olswang is a representative for the Bendix-King Corporation. He will provide information on the various ADS-B units available on the market today, when you will need ADS-B in your aircraft and pricing of the many units available on the market today. He will also provide information on a relatively inexpensive methods of meeting the ADS-B requirements, depending on the avionics setup in your aircraft. This is a perfect opportunity to get the latest information on ADS-B requirements and methods of meeting those requirements.

Directions: Large hanger on south side of Yuba County Airport ramp.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants.
