

## Presentation on UAV/UAS Flying (Drones)

Mr. Charles Jones will provide a comprehensive overview of flying UAV/UAS aircraft, present and future regulations governing these craft and how to fly safely without endangering other aircraft, people or property. If you fly these craft for business or pleasure, you will not want to miss this presentation.

**Directions:** Yuba County Airport south side of ramp.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
