

Cancer and the Pilot

The current practices, treatments, and outcomes, especially with the General Aviation pilot in mind.

Dr. Dave has spoken twice before at these safety seminars and he does an excellent presentation. Do not miss this safety seminar.

Directions: Flying In: Taxi to westside of Benton airport in between the sunshade hangars, park in the open tie down area, walk 300 feet to Q Hut. Arrive at tie down by 09:45 . Driving: Google EAA Chapter 157, Q hut located on perimeter of north west corner of airport. Park along the fence, walk through gate into Qhut. Please be at least 10 minutes early.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
