

FAASTeam presents:

California Highway Patrol Flight Operations in northern California

CHP Flight Officer, Jeff Edgerton will brief the attendee's regarding the mission and purpose of the air arm of the California Highway Patrol, then he will discuss and review the scope of operations in northern California (Redding Flight Office)..... and how it may impact the ability of the CHP flight officers to conduct their operations/missions with safety. He will steer the presentation with a special emphasis regarding general aviation flight operations.. and how it may interfere or hinder the outcome of the CHP flight mission. Attendees' should consider and appreciate that the Redding flight department covers from about Corning to the Oregon border and from Crescent City, Arcata, Eureka, Fortuna to Alturas/almost Reno... estimating a 200 mile by 200-mile service area. Jeff presented a safety seminar about 30 months ago, it was excellent and it allowed the attendees' to understand and appreciate why to stay away from CHP flight operations as a GA pilot.

Event Details

Sat, Sep 10, 2016 - 10:00 PDT
Quonset Hut - EAA Chapter 157,
West Side Benton airport
3025 South Street
Quonset Hut
Redding, CA 96001
