

## Understanding Impairment Risk

This event will be held in conjunction with the monthly meeting of EAA Chapter 1175. The meeting begins at 7pm, but the presentation will be around 7:30pm. In the presentation, we'll talk a little bit about recent NTSB and FAA studies that feature some interesting findings with respect to pilots and medications.

**Directions:** From highways 49/20 or 174, follow Brunswick Road to Loma Rica Drive. Turn onto Loma Rica Drive and follow it 3/4 mile to John Bauer Avenue. Turn left onto John Bauer Avenue and follow it up to the airport. Once at the airport, proceed to the gate and follow the instructions of the staff member waiting there. If special assistance is needed, please call Lee Ocker at 530.802.3188.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
